7	Conclusion	183
	Index	193

Acknowledgements

I would like to thank former colleagues at Leeds Beckett University where my interest in the area of tourism employment was fostered and where the foundations for this text were laid. In particular I would like to acknowledge Rhodri Thomas and Stephanie Jameson in this regard. I would also like to acknowledge colleagues at the Association for Tourism in Higher Education who provided an open, welcoming forum for discussions and who give up so much of their time to promote the academic study of tourism.
